

Covenant Relationship Agreement

Victory World Missions licensing and ordination arm is Global Network Ministries. It is our intent that *Global Network Ministries* is not merely an organization, but a living organism, existing for two primary purposes. First and foremost is the local church. It is our belief that the local church is what Jesus came to establish in which the gates of hell will not prevail against it. Our desire is to be relational, to work together in order to expand His Kingdom. It is what the book of Ephesians refers to as diversity with unity, united under one statement of faith yet diverse in gifts and abilities that God has endowed upon each of us.

We must strive together using our resources, skills, abilities, and gift to help promote and encourage one another. If conflict arises we will handle it according to Matthew 18:15-18 with the attitude of reconciliation and restoration. We will hold to moral purity in all aspects of our life. We will maintain more than honesty, but integrity which means not simply conforming our words to reality but our reality to words. We will not offer up our family on the altar of ministry, but we will maintain a balance, recognizing that our marriage and family came from God and is always before the ministry. As ministers we will conduct our personal life in a manner that adds credibility to our public life. *The man must be more than the message*. Our financial lives will be above board and blameless, understanding what we do with our money is what we will do with our lives.

Our second purpose is our great purpose – world missions. We firmly believe that the great commission is not an afterthought, but Jesus' final thought. Equal to our responsibility at home, we also have a responsibility abroad, in supporting world missions with our time, talent, and treasury. Victory World Missions main thrust overseas will be a three pronged approach, *-to train national pastors, build Bible schools, and build churches*. Although we can and will facilitate many other avenues, this will be our main endeavor.

Statement of Faith

1. We believe that the Holy Bible is the inspired and infallible Word of God: it is our authoritative source of Christian doctrine and precept.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
3. We believe that man was created in the image of God, but as a result of sin, he became lost and powerless to save himself.
4. We believe that the only hope for man is to believe in the Lord Jesus Christ, the virgin born Son of God, who died to take upon Himself the punishment for the sin of mankind, and who rose from the dead so that by receiving Him as Savior and Lord, man is redeemed by Christ's blood.
5. We believe that the Holy Spirit indwells those who receive Christ for the purpose of enabling them to live righteous and holy lives and to serve God in ministry.
6. We believe in the Baptism of the Holy Spirit according to Acts 2:4 with the evidence of speaking in other tongues.
7. We believe in the Jesus Christ's personal return to earth in power and glory.
8. We believe that the church is the Body of Christ and is composed of all who through beliefs (faith) in Him have been spiritually regenerated by the indwelling Holy Spirit.
